BIOGRAPHY

PASSION INDIA, Javier Moro

This story has all the ingredients of a fairy tale, except that it's real: A modest Spanish girl meets her Prince Charming in the persona of the incredibly wealthy Maharajah of Kapurthala. Before she knows it, she is living in a lavish Parisian flat learning to be a high-society lady, travelling through India, on her way to becoming the princess of a state she knows nothing about. Soon to be a major motion picture starring Penelope Cruz, this is one of the most unusual biographies ever written.
